

# Dignity Prayer

Our prayer points this month are based on the themes from our 2017 Year of Prayer. If you would like an overview of this or any aspect of our work, please contact us on +44 (0)161 434 8841.

EQUIP Camp, Mkushi

“Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.”

2 Corinthians 9:10-11 - The Bible (NIV)

## Vision

At our recent EQUIP camp in Mkushi Zambia we were working through some of the practicalities of the Deeper Campaign. Join us in asking God to inspire his people to plant new Life Groups in their communities, for open doors for the Impact Team members as they speak to people and for a deepening of faith and transformation in each community where a Life Group meets.

## Finances

We will celebrate our 10th birthday this October. We look back at where God has brought us and we are full of thankfulness. We look forward and we believe that God is preparing us for growth and multiplication. Our current income does not allow for growth. Stand with us asking God to release the funds needed to facilitate the work before us. Pray for us to continue to grow in faith and wisdom as we steward the money that is given to us.

## Light in dark places

Impact Team member Festers recently shared with us that the unity Life Groups build in communities is bringing people to Jesus. Lawrence and Festers both speak of alcoholics, broken families and the desperately poor finding new hope as they meet the love of Jesus through Life Groups meeting them in their 'dark places'. Pray with us for more and more light in dark places, for freedom and hope for those who are far from Jesus.

## People of peace

One of the crucial aspects of the Deeper Campaign will be finding the right people to establish new Life Groups, to work with Impact Teams and to coordinate the work across Zambia, Namibia and Tanzania. We believe that the harvest is plentiful. Please stand with us in asking the Lord of the harvest to send his workers into the field (Luke 10:2). Pray for discernment for our existing team members as they meet new people and decide who to invest their time and resources in.

## Unity

So often Life Groups are met with suspicion. Something new from 'the outside' is seen as a threat. Over time people see that Life Groups are working for the good of the community and to strengthen the existing church, not to tear it down. Please pray for unity to abound and for it be an ongoing witness to people about the nature of Jesus. Join us in asking God for his protection over our working relationships, our friendships and our families.

## New Territory

We long to see more and more people, families and communities being brought into the Kingdom of God. We want to see the sick being healed, the captive being set free, those who mourn being comforted and those who are filled with despair being filled with joy instead. Stand with us in asking God to remove all barriers, to lift up the weak, to renew his creation to build his Kingdom on earth. We thank him for each life he has already transformed and we pray for more.

## Feedback

Please use this space to note down any scriptures, thoughts or pictures that are given to you while praying for us then send them to us. We would love to hear them.
