EQUIP

EQUIP training sessions are a chance for our growing Impact Teams to get together, encourage one another, receive training and share about the work in their area.

It is always an amazing time as we hear testimonies of the work. It is also a really important time as we seek to equip our team members with skills that will help them do more of what God is calling them to.

Please cover the upcoming EQUIP camps in prayer. In particular pray for:

- an outpouring of the Holy Spirit
- deepening of our relationship with Jesus
- encouragement and wisdom as people face different challenges
- provision and safety for all the team members

Follow Ups

From February to June the Impact Teams focus on follow up visits, returning to areas where Life Groups are already up and running. This involves lots of travel, meeting lots of people and having to react quickly to unknown situations. Please pray for them to have the gifts of discernment and knowledge so they are able to respond well to every situation they enter into.

Finances

Please continue to pray for our finances. As we look at our budgets for the rest of the year and our income, we are standing in faith that God will provide the current shortfall through the generosity of his people. Please pray for an increase in our regular monthly giving to provide a steadier base for us to work from.

Updates

Further to your prayers last month we have made great progress on translating materials into Lunda, for use in the north west of Zambia. *Rooted in Jesus* (written by ReSource) Books 3 and 4 and *Love Your Village* are all nearly finished now and undergoing final checks.

Jon & Jude Witt are starting the year with an extended period in the UK. Jon is focusing on the “big picture” plans and strategies for Dignity whilst also writing a book. Jude continues working as a GP and the boys are enjoying a longer stretch in school in Wales.

Feedback

Please use this space to note down any scriptures, thoughts or pictures that are given to you while praying for us. We would love to hear them.
