

# Prayer Points

“Before the mountains were born  
or you brought forth the whole world,  
from everlasting to everlasting you are God..”  
Psalm 90 v 2 (The Bilbe - NIV)

## Namibia

Previously we've asked you to pray for the work we have been planting in Namibia. We are delighted that the work there is taking root and growing. At the end of September 4 Life Groups were meeting regularly and people in another village were preparing to start a group.

Santos (left) and Moses (right) are leading the work of Dignity forward in their area.

- They have asked for prayer for:
- Makanga where there has been some misunderstanding
  - Oscah in Singalamwe as he gathers people on their behalf, particularly for him to be patient with them and for the love of God to be revealed to him.
  - Their visit to Ibbu this Friday to share the vision of Dignity.

## Health & Energy

Please pray for all who are involved in our work to be renewed and refreshed spiritually and physically.

We know that many of our team members are facing difficult situations. Esther (left) is currently caring for her sister who has been sick for some time now. Agnes's (right) son was recently involved in a road accident. Cornelius is still in between jobs and waiting to hear when he will next be given work.

Our team members balance their time with Dignity with their other responsibilities. It can be hard to fit everything in and stressful travelling to places. They face difficult challenges in different places and have to think on their feet. Please pray for each of them to be filled with wisdom, protected and uplifted.

## Filling the Gaps

God has always met the needs of Dignity. We have much to be thankful for! We know that we can trust God to provide everything that is needed to do the work he gives us.

As we look ahead there is a growing demand for the work of Dignity in new areas. We are amazingly grateful for this. We are also challenged by what this means for us logistically and feel our faith being stretched once again.

- Please pray with us for the following:
- Growing faith to keep walking the path laid before us.
  - The right people to lead the work of Dignity in their villages and nations as well as the wider leadership of Dignity. We are wary of overburdening any one person and urgently need God to raise up leaders at all levels to help share the growing workload.
  - The right connections and leads for any areas where God calls us.
  - The finances needed to support & enable those giving their time.
  - The knowledge and discernment to resolve any issues or disputes in a Godly manner.
  - More and more people to come into the Kingdom of God!

## Jon & Jude

Jon recently paid a short visit to the UK to spend time with his family. He's now back in Zambia with Jude and the boys. Please pray for them as they prepare to return to the UK just before Christmas. Pray that they will know where to focus their time and energy and what to prioritise. On their return the boys will return to their local school in Wales and Jude will pick up some locum GP work. Please cover them in prayer as they put down life in Zambia and pick up life in Wales.

## Feedback

Please use this space to note down any scriptures, thoughts or pictures that are given to you while praying for us. We would love to hear them.
