“They will be called oaks of righteousness,
a planting of the Lord
for the display of his splendour”

Isaiah 61 v 3b (The Bible - NIV)

Go Deeper

This year we are focusing on encouraging and equipping existing Life Groups to multiply themselves and “Go Deeper” into their communities. There are currently 324 Life Groups supporting an estimated 6,400 people with regular Christian discipleship. Imagine if each group planted a second group in their village. That could mean support for upto 13,000 people.

We are currently preparing teaching and training materials to help share this vision and equip Life Groups to start a second group. We would love you to pray for existing Life Groups to feel called to “Go Deeper” into their communities, growing in their own faith and leading others into faith. Pray that God will open doors for Life Groups.

God’s Person

One of the biggest challenges we face is finding the right person for each task in each area. At the April EQUIP camp a recurring questions from team members was “How do we know the right person to start a Life Group in a village?” As we grow, we ask ourselves “Who are the right people to help us sustain, shape and lead this work?”

There is always one answer...we need to find God’s person for each role. Sometimes it’s not the obvious choice. Sometimes we might get it wrong. But prayer can make a huge difference here. Please pray that God will bring us alongside the right people, whether that’s a Life Group leader, a fundraiser, an intercessor or an Impact Team member. We want to be a collection of God’s people each doing what God has called us to do.

Catching Up

Over the next few months Jon Witt & Bernard Witika will be travelling across Zambia to catch up with all the Impact Team members & apprentices. These meetings are really important for shared encouragement, feedback and support. Please pray that God will speak into these meetings.

Updates

Jon, Jude & the boys have made it safely back to Zambia and are settling back into life there.

Thank you for your prayers for provision. We have been delighted by the response to the Welsh 3000s which saw 11 walkers conquer the 15 mountains in Snowdonia that summit over 3000ft. It was a challenge of mammoth proportions and we are so grateful to our team members and all who supported them. They’ve hit our fundraising target and raised just over £10,000...amazing! Please pray that the money raised will be effective in God’s kingdom.

Feedback

Please use this space to note down any scriptures, thoughts or pictures that are given to you while praying for us. We would love to hear them.
