

Where we are

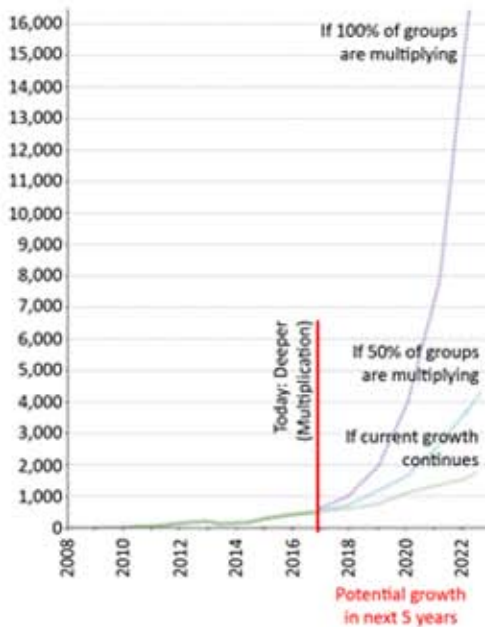

Where we think God wants us to be

Close the gap

Vision

There are currently
 - 539 Life Groups with an estimated membership of 8,085 - 10,780 people!
 - 46 active Impact Team members.
 - Life Groups in Zambia, Tanzania and Namibia.
 - the beginnings of Life Groups in Kenya and the UK

Growth could look like this:

“All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.” *Matthew 28:18-20*

“They will be called Oaks of Righteousness, a planting of the Lord for the display of his splendour” *Isaiah 61:3*

The following are words and pictures that were given to Dignity around the time we formed.

“What God will do is big, it involves lots of people from many places, travelling back and forth and working together.”

“God will give you a walking stick and you will visit and begin work in many countries within Africa.”

“I will start many bush fires and no amount of firefighting from the enemy will dampen them.”

Provision

Throughout our journey God has always provided exactly what we have needed.

We are currently at the very bottom of our financial reserves policy.

48 individuals and 6 churches support us regularly.

“No one can serve two masters. Either you will hate the one and love the other, or you will be devoted to one and despise the other. You cannot serve both God and money” *Matthew 6:24*

My God will supply every need of yours according to his riches in glory in Christ Jesus” *Phil 4:19*

We are not called to operate from a scarcity mentality. We are called to be good stewards.

Light in dark places

We are hearing more and more stories of light in dark places.

People who thought they were worthless and without hope are discovering they are loved by Jesus and have purpose.

“God is light; in him there is no darkness at all.” *1 John 1:5*

Each Life Group represent 15-20 people. They represent families, friendship groups and communities made up of many more.

In 5 years, if we see 100% multiplying groups, we could be helping bring light to between 240,000 and 320,000 people, plus all those around them. That's quarter of a million people!
