

Amupe Alubomba

Mu Apostolo Paul wakatobela Jesu a canguzu, wakabamba Cikombelo ca Makedonia. Cakali cikombelo cakapangwa kuzwa a bantu bakali kukala mumo 'abucete bwini bwini'. Tebakali balike pe. Kwakali bantu banji bacete bakali kutobela Jesu kwiinda muciiindi cilamfu. Bana Makedonia ba langanya mapenzi ino tebakajisi zintu zinji olo mali manji. Alimwi bakala lubomba kapati. Mu 2 Korinti 8:1-7 tubala mbabo a majwi abo anguzu.

Bana Makedonia bakala lubomba kwiinda bamwi mbo bakali kwelede kuba. Te bakali kupa nzyo bakajisi a kusiya olo cakali cuba uba kuli mbabo. Muyeeye kuti bakali bacete kapati a bantu banji bakali pengede. Bakali ilipede kupa. Nce nce co Paul nca kaba jatilila loko kuba ca kutondezya ku kupa. Paul nca kabambila kuli mbabo: "Ndipa bwini kuti bakali kupa mbo bakali kukonzya, akwiinda mukuyanda kwabo. Abeni balike, bakafwambana kutu kombelezya kuba andiswe a ciyanza cakwambana mu mulimo wakusolelela bantu ba Mwami."

Ciboneka ciindene kuyeeya! Cili nde bakaamba, 'Tuli bacete tatujisi zinji eno atupe kuli bamwi.' Ncinzi nco bakacitila ceeci? Ino makani aamba kuti, "kubotelwa kwabo kunji abucete bwabo bupati bwakaba bweza kuya ajulu mu buvubi bwa lubomba". Bakali jisi lushomo a busetekene muli Leza cakapa kuti babe akukwabililwa kujana luyando lupati kuli bamwi kutegwa bape a lubomba kuzwa mu bucete bwabo bupati. Bakabala bamwi kwiinda mbo baelede kugwasigwa mali abo kwiinda mbabo. Ino lyonse tulayeeya obu na?

Masimpe a makani aya ino ndiswe boonse, katuli a bambi olo ba cete, nkuyanda kukomba Leza a lubomba lwesu. Aya makani tali a muntu omwe kupa alike, ino nca bantu mu kabunga bazumide kupa antoomwe. Lyoonse ncintu ciyumu kucita cimwi a tulike. Cimwi ciindi mula yeeya, 'Ncinzi cipa kuti kuli ndime kupa ino kakuli kuti ndipa a shoonto?' Antoomwe nga twacita zintu zipati. Kutu na twabika zipego zyaba mwi ino eeci ca kupa cishoonto cilaba cintu cipati. Nze nguzu zya lubomba mukabunga antoomwe. Ncubauba kulanga ku mapenzi esu, mbuli mbwabede akuyeeya kuti cita na nga twa pa bamwi olo tatukonzyi ku bapa. Ino ndi muyumya yumya kuti tube a lubomba kuli bamwi antoomwe, mbuli chikombelo ca ku Makedonia?

Amu bike Mukucita!

Cintu cipati a lubomba ncakuti nga twatalikila mpo tubede! A kabunga kanu, olo a kabunga kabenzuma, tuyeeye kuba antoomwe kupa mbuli bana Chikombela ku Makedonia ku bantu bacete kwiinda nguwe. Ncinzi kuta bweza mali, zakulya, olo zimwi kuli baabo babulizizye mu munzi olo mu busena? Nga mwapa zyakusama, ciindi, olo zili zyoonse mbuli mbo ci mutolela a kucipa mu lubomba. Coonse nco mwapa nga ca gwasya a kukomena.

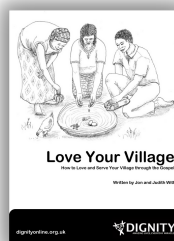

Mupaile kuti:

- 1) Taze ulabweza zyakupa nzo mupa akuziyungizya kuli baabo mbwa leleka mbo mupa.
- 2) No mupa mulajana kubotelwa kwiindilila!

Musololi Esau* ino ino wakali ku muswangano wa lwiyyo lwaTubunga Twabuumi. Wakabambwa a nca kanvwa wa kapa N\$120 (\$8) kuli baabo bakali kuyiisya. Musololi Esau wakali kwelede kubelesya mali ayo akuswanganya zimwi ziyandikana, ino wakasala kuleleka mulimo kutegwa bamwi bagwasigwe kwiiya Tubunga Twabuumi, kusumpula mu munzi wakwe.

Musololi Esau, Yinsu, Namibia.

Eci ciyyo caka bambwa a "Mupe mbuli ba mu Chikombelo ca Makedonia" ciyyo kuzwa mu bbuuku Amuyande Munzi Wanu. Mulala jana awa:
